Bottom Glass: Crystal Clear / Smoke Gray

Light

LED, 3.5 W, 200 lm, 2700 K, 110°, 25,000 h
Dimming Option

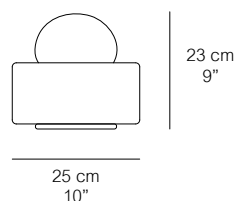

Made in:

Italy

Dew + Drop is a table lamp made of two pieces of hand-blown glass, resembling a dewdrop resting on top of a water surface.

The Dew + Drop series combines traditional craft and contemporary aesthetics to donate a unique look to bright interior environments.

A diffused light illuminates the dew from the bottom, throwing pleasant shadows on the surroundings. During daytime, the Dew + Drop lamp shows its other colorful side, becoming a unique piece of decor.
