

JEFF MILLER

Jeff Miller was born in 1968 in New York City. He studied Industrial Design at Carnegie Mellon University, Pittsburgh, PA Graduating with University and Department Honors in 1990.

In 1991 he joined ECCO Design in New York, eventually holding the VP of Design position. For more than a decade he was involved in product development for numerous global brands including : Apple, Colgate, Corning, Daewoo, Estee Lauder, Gillette, Herman Miller, LG Electronics, Motorola, OXO, Procter & Gamble, Timex

In 2002 Jeff established his own practice. Blending his research-driven consulting background, with a more personal elemental approach, Jeff now brings this innovative vision to a range of international clients in the areas of product, furniture and interior design.

Jeff Miller est né en 1968 à New York il étudie le dessin industriel à l'université Carnegie Mellon de Pittsburgh, et est diplômé avec mention en 1990. En 1991 il rejoint l'ECCO Design à New York ; pendant une dizaine d'année il collabore avec de nombreuses marques comme Colgate, Estée Lauder, OXO, Motorola... En 2002, il crée son propre studio. En utilisant à la fois son expérience de consultant et sa démarche personnelle, il apporte aujourd'hui à ses nombreux clients internationaux une vision innovante dans le domaine du design produit, du mobilier ou de la décoration intérieure.
